26TH ANNUAL FREDERICTON DINNER

WEDNESDAY APRIL 11TH, 2018

FREDERICTON INN

6:00 PM RECEPTION & SILENT AUCTION | 7:30 PM PRIME RIB DINNER & LIVE AUCTION

DINNER HONOUREE
MR. EDWARD BARRETT

A keen salmon angler and conservationist, Ed serves as Chairman of the Board for NB Power, is co-CEO of Barrett Corporation, a North American investment and management company, is CEO of Barrett Diversified Inc., which operates wholesale distribution companies in Canada and the US, and is co-founder, significant shareholder, and serves on the Board of Xplornet Communications, a leading broadband and communications company in Canada. Mr. Barrett also serves on several Boards including Nav Canada and Medavie Blue Cross.

In his role as NB Power's Chairman of the Board, Mr. Barrett recognizes the importance of wild Atlantic salmon on the Saint John River. He and his staff have worked very closely with stakeholders to bring about improved flow management in the headwaters of the Tobique River, and the recently unveiled state-of-the art downstream fish passage facility at Tobique Narrows Dam, both of which should significantly improve survival rates for Atlantic salmon on this great river system.

We are pleased to honour Ed as a champion of wild Atlantic salmon conservation and restoration.

The Atlantic Salmon Federation is dedicated to the conservation, protection and restoration of wild Atlantic salmon and the ecosystems on which their well being and survival depend.

Funds raised at this event will be used to support conservation work and research on New Brunswick Rivers. This critical effort to uncover the causes of salmon mortality takes place thanks to volunteers from the New Brunswick Salmon Council, Atlantic Salmon Federation and our affiliates.
